

ONE WEEK TO SAVE A LIFE is a great opportunity for all student lead organizations to make a difference and earn important hours while doing so!

WHAT DOES THIS LOOK LIKE AT MY SCHOOL? Just three simple steps:

We will provide you with an all-school email to send on the Friday before to let parents and students know of the upcoming event.

Your student organization will host a table before school, after school or during lunch where they can register for the American Heart Challenge by scanning the custom QR code or with the help of a volunteer.

Lastly, encourage students to complete Finn's Mission by using the AHA Schools App.
