

Frequently Asked Questions

100 Push

o

worldwide, and stroke ranks second globally. Even when those conditions don't result in death, they cause disability and diminish quality of life. We want to see a world free of cardiovascular diseases and stroke. Our size and scope let us have a real impact. The AHA has invested more than \$1 billion in research, making us the largest non-profit funding source for cardiovascular and cerebrovascular disease research next to the federal government, all in an effort to be relentless

Registration Process

Is the registration free?

Yes, the registration is completely free. We strongly encourage you to start a fundraiser so you can help support the mission of the American Heart Association.

Where do I register and create my fundraiser?

After you join the Facebook group, you will find the registration link in the Featured section. Fill out the form and click the “Submit & Activate a Fundraiser” button.

About the Fundraising Page

Where do I set up my fundraising page?

Follow the link in the Featured section or the description of the Facebook group to register. Once you fill out the form, click the "Submit & Activate a Fundraiser" button, and you will be directed to your personal fundraising page! You can edit the name and donation target there, and invite your friends to follow you.

Is my fundraiser page public?

Yes, once you set up a fundraising page, it can now be seen on Facebook publicly. This allows all of your friends and family to donate and share it!

Can I edit the information to make it in memory of a loved one?

Yes, you can. There is an Edit (or Manage) button on your fundraiser page where you can make your tribute for your loved one and edit all information.

My fundraising page has ended. How do I fix this?

Unfortunately, once your page is finished, you can't reactivate it. You will need to start a new one with the link in the Facebook group!

Can I share my page outside of Facebook?
